

# Progression of Leadership™

## Self-Assessment for Health Care Providers

As a clinic/healthcare system, what level on the Progression of Leadership do you currently engage families?

Explain \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

How interested are you in engaging families at all levels?

What resources will you need to support families through their Progression of Leadership? \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

Identify opportunities for family engagement in your clinic or health care system. (See page two for examples.)

# Examples of ...

## ▣ The Inner Ring:

1. Work with a family to develop a care/treatment plan.
2. Support families with referrals.
3. Support a family to coordinate their services.
4. Provide a list of local specialists available in the area.
5. Offer classes on self-empowerment - parenting, disease management, self care, etc.

## ▣ The Community Ring:

1. Work with local Family Leaders to develop a community forum or training.
2. Provide space in your building for families to have support group meetings.
3. Feature a positive story about a family making a difference in your community and post it on your website, Facebook page or newsletter.
4. Include families in developing your feedback mechanisms.
5. Sponsor an health resource fair for families in the community.
6. Provide Q&A forums to exchange ideas with families.

## ▣ The Outer Ring:

1. Develop a patient advisory council.
2. Empower Family Leaders to recommend policy changes as a result of surveys/assessments.
3. Include Family Leaders on your Quality Improvement team with clear expectations.
4. Provide funding for families to attend state and national trainings.
5. Prepare talking points with Family Leaders to deliver at legislative hearings.
6. Provide continuous access to mentoring.
7. Assure your budget supports all levels of family engagement.
8. Provide leadership development opportunities for families to enhance their skills and content knowledge.
